

## **Dear Parents and Students of Snow Canyon Middle School:**

We would like to only do one fundraiser this year! We are having a read-a-thon on Tuesday, September 9th. Students will try to earn pledges for each minute they will be reading (40 minutes) or cash donations for the school. They could ask neighbors, friends, grandparents, and other family members to support our school by donating to our Read-a-thon. We ask that students only talk to people they know and discourage the students from going door to door, but parents can take the donation forms to work with them.

### **MAKE CHECKS PAYABLE TO SCMS PTSA**

**Because this fundraiser does not involve any product, ALL the money that we earn will be used for teachers and students at our school.**

**Collect donations from Monday, August 25th until Friday, September 5<sup>th</sup>.**

**Money needs to be turned in by Friday, September 5<sup>th</sup> to be counted for the prize drawings.**

Students can win prizes for raising money for our school!! We will have hundreds of prizes, but there will be 4 top prizes. The top selling student will choose his/her prize, the second highest seller will choose from the remaining three prizes, and so forth.
