Minutes: Minutes from March 1st meeting were unanimously approved

Agenda Items:

The Community Council meeting calendar for the 2021-2022 school year was discussed. A possible time change when meetings are held due to early out with the elementary's was discussed. Dates were approved, but a motion was made to have a new start time. The new time chosen is 12:10 - 1:10. Kristina made the motion to accept a new time. Kristen stout seconded. It was a unanimous vote among the council to adopt the new meeting time for next year.

Data from the Cone Site Counseling Needs Survey was shared with Council Members. Gaps were identified between responses from minority parent responses and caucasian parent responses. The need for an advisory committee for the counseling department was discussed and it was decided that the community council could also serve as part of the counseling advisory committee. The need for minority groups and English Language Learners to be represented on the council and advisory committee was identified.

Two possible meeting dates in August & January were discussed where meetings could be held in the evening to help accommodate members of the council and or advisory committee who

work during the day.
