

## Community Council Minutes (Draft)

Date: 11/7/2023

**Attending:** Jarrod Dastrup, Jeff Harrah, Jennifer Morgan, Julie Steel, Brittnie Bonham, Heidi Gunn, non committee member: Lindsey Nadauld, Officer Layton (SRO)

**Excused:** Kathrine Camp, Chauntelle Lewis, Noell Larsen, April Anderson

**Welcome:** Meeting opened by Julie steel, Mr. Dastrup explained the purpose and schedule of Community Council meetings.

**Minutes:** Motion to approve last meeting's minutes by Brittnie Bonham, second by Julie Steel

### Agenda Items:

Technology information presented by Mr. Harrah

- SCMS' focus is on educating students on the dangers and proper use of the internet. "Social Dilemma" and "Childhood 2.0" are good documentaries to provide education.
- At school teachers monitor chromebook use via Impero.
- Phones are still a big issue. A cell phone ban in schools is being addressed in Legislation. Much of the discipline issues dealt with in the office stem from some sort of phone or social media use. Parent collaboration and support is needed to address the issues.
- Good resources for information: [bullyingstatistics.org](http://bullyingstatistics.org), [cypersafetycop.com](http://cypersafetycop.com), [commonsensemedia.org](http://commonsensemedia.org)
- There are filters and protections in place at a district level, effective when working on district internet.
- Digital Response to Intervention Plan was discussed. (see attachment for SCMS Digital RTI plan) [Digital Response to Intervention Plan](#)
