

2024 Grammy Music Educator Award

On May 8, the Recording Academy and GRAMMY Museum have announced a total of 212 music teachers as quarterfinalists for the 2024 Music Educator Award, which recognizes current educators — kindergarten through college across public and private schools — who have made a significant and lasting contribution to the field of music education and who demonstrate a commitment to the broader cause of maintaining music education in the schools. The quarterfinalists, who hail from 197 cities, were selected from more than 2,000 initial submitted nominations. In addition to the quarterfinalists, 123 legacy applicants from 2023 will also be eligible to win the Music Educator Award this year.

Semi-finalists for the 2024 Music Educator Award will be announced this September. The ultimate recipient will be recognized during GRAMMY Week 2024.

Mrs. Hayley Winslow received the Quarterfinalist Award in 2023 and was recognized as one of the 123 Legacy Applicants for 2024.
