

To My Dear Students that I care so much for and their Parents,

My name is Stephen Ord. I am so excited to take over officially as the Assistant Principal of SCMS! Do you feel it? The Rise of the Warrior Spirit that has been coming to our Warrior Nation? Good things are happening all around us. I love this school. I have been teaching as a Warrior in everything from US History, Drama, Film, SPED, and Speech & Debate for 14 years and I love these students and everything we stand for. As WARRIOR'S -

We

Are

Respectful,

Responsible,

Intelligent,

One and

Ready to

Serve!!!

Camping as a boy my dad taught me the value of leaving a place better than you found it. I've tried to do that as a teacher and I try now to teach my son Howie that same value. I will strive going forward to leave each day better than the last in this administration. I hope we can all strive to BE A WARRIOR everyday! I'll be excited to see you again. Let me know how I can help.

Mr. Stephen Ord
