

## **Hello Warriors!**

My name is Kyle Rarick. I began my career in education in 2014 as a Social Studies and Spanish teacher at Snow Canyon Middle School and Snow Canyon High School. After my first year splitting time between both schools, I was fortunate to join SCMS full time, teaching Geography and Spanish.

In 2020, I accepted a position as Assistant Principal at Monticello High School in the San Juan School District. After three years there, I found myself missing St. George and began looking for opportunities to return. From the moment I left, I hoped there would one day be a place for me again in the Snow Canyon community.

In 2023, I returned to the Washington County School District as an Assistant Principal at Tonaquint Intermediate School. While I enjoyed my time at Tonaquint, I continued to hope for a chance to come back to Snow Canyon. That hope became reality in 2025, when I was honored to be selected as Principal of Snow Canyon Middle School.

I am a Warrior to the core and incredibly proud to be back in Warrior Nation. SCMS holds a special place in my heart, and I am excited for the challenge and opportunity to serve as Principal. I look forward to working with our students, staff, and families to help every student reach their potential and accomplish great things!

Outside of school, I enjoy spending time with family and friends, exploring the beautiful landscapes of southern Utah, and learning new things. One of my favorite hobbies is astrophotography—especially with the incredible national parks and dark skies we have in this part of the state. I am passionate about education, student success, and building strong community connections.
