Agenda Items:

Accreditation Update - Mr. Bench

A full report will be sent in 30 days but things went well and the accreditation team was impressed.

Technology Use and Digital Citizenship - Mr. Harrah

Mr. Harrah presented the SCMS report on Safe Technology Utilization and Digital Citizenship in Public Schools which describes how we monitor kids and addressed questions regarding how we safely use technology in the school. iBoss filters are used. Filter settings are the same for both 8th and 9th grade. Impero is used to monitor students' internet use. Teachers is the first line of monitoring, Impero is used as a backup to see history of student internet use. Per District Policy, Internet usage is a privilege and violations of proper usage may result in it being taken away. When a student violates the technology agreement we use a Digital Response to Intervention plan which Mr. Harrah explained. The question was asked about filtering systems that can be used at home. Cybersafetycop.com is a resource. Mr. Harrah presented data regarding overuse of cellphones and social media and how it can negatively affect school performance and social emotional health of students. IGD Internet Gaming Disorder is an actual disorder that students are experiencing. The question was posed as how we can get more information to parents. Different ideas to do that were discussed.

State Trust Lands Process

The different departments will present to the council during February's meeting.

Other Business

Covid issues and procedures were explained by Mr. Bench. The kids have handled things really well thus far. A message will be going out from the district with detailed information about how our district will follow the governors mandates.
